EXPERIENCE

BLUE WHALE APPS - Mobile Application Developer

May 2017 - August 2017
I worked on four different IOS projects with Objective-C and Swift.

THINKFUL - Swift / iOS Mentor, Coach and Advisor

December 2014 - May 2017
As a mentor, my primary role is to provide guidance and support to mentees based on their unique developmental needs.

INTRODUCE SOCIAL - Software Developer

June 2016 - December 2016
Developed iOS and Android Mobile app.

DONE LABS - iOS Lead Developer

January 2015 - August 2015
Was engineer and leader of all mobile technologies for the company.

NETSERVIS BILGISAYAR SISTEMLERI - iOS Developer Specialist

September 2014 - January 2015
All my development is done especially for the platform I am targeting - that means Objective-C for iOS, and Java for Android.
